Brand New Book ***** Print on Demand *****.When Voodoo is brought up in discussions, non-voodooists will often make incorrect conventions that it is a terrifying religion that consists of devil worship, cannibalism, Black Magic, and voodoo dolls. As these might be the common assumptions that one makes when thinking about Voodoo, none of that is connected with the religion at all. In no way, am I expecting you to believe in the Voodoo religion, or in any way am I attempting to convert you to the religion. I m simply here to educate and teach you that Voodoo is not any of the evil that you just might think. But please do recognize that its followers do not only consists of Haitians or Africans, but many different ethnicities and nationalities follow the religion as well. With this book, I am hoping to teach you about the very fundamentals of the religion. You will understand that Voodoo is not the religion that some think of it. You will get to know about the basics of rituals, the spirits associated with it, what Voodooists believe, as well with the myths of Voodoo debunked. You will get to know a depth of knowledge surrounding Voodoo and will learn much more than what it is needed for the religion.
