Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.GREATNESS MINDSET Great minds are great achievers. Generation now and the next should be strongly imparted and inspired with this idea by everyone who has the authority to influence them. It is the duty of every teacher to transfer such knowledge into every student taught by them. Every leader is a teacher and for any leader to end up successfully; he or she must have a great mindset or idea which has been taught or passed on to a successor. Therefore; I have this idea that Great minds are great Achievers to teach or to impart into the mindset of this and coming generation. It will be a laudable and an effective solution to the present world unrest if every parent; every political leader; every religious leader and every academic leader; would counsel, proclaim, preach and teach this idea; that Great Minds are Great Achievers ; to their children, their constituencies; their congregations and their schools. If fifty percent of the people living on earth are able to have this mindset that; Great Minds are Great Achievers ; the victory over evil will be easily achieved without the use of weapons of war. Imparting this idea into the conscience of mankind stands out as the greatest legacy we can bequeath to the next generation as well as the best service we can give to God. The amazing phenomenon of this wonderful idea; of Great Minds are Great Achievers ; is that those who have great mindset are ever willing to impart the inspiration into others. As a Civil Engineering graduate; but employed to teach mathematics in secondary school; I tried to be practical in my teaching method so that my students would...
