Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Sleeping Bear Press, United States, 2016. Hardback. Book Condition: New. Jennifer Bell (illustrator). 193 x 145 mm. Language: English . Brand New Book. Are you afraid of the dark? Stella Batts never thought she was. In fact she s not feeling afraid of anything right now. She s just excited. Her class read the most books out of every class in school. The prize is a sleepover in the library. What could be better than that? Everyone is in pajamas, even the teachers. The kids break off into groups to go on a scavenger hunt. That s when Stella finds a really old book by an author who is also named Stella B. Though the subject matter is nothing this Stella would ever write about. And then there s an unexpected visitor who shows up in the middle of the night. Stella doesn t know what to think, but she knows one thing for sure--she s scared of the dark now!
