Brand New Book ***** Print on Demand *****.Excerpt from Eden, Lost and Won: Studies of the Early History and Final Destiny of Man as Taught in Nature and Revelation The time has come when the Science of the Earth and of Man should take bolder ground than heretofore on the question of the validity of the literary and historical criticism which deals so freely with the earlier books of the Hebrew Scriptures. These records present themselves to the student of nature in special aspects. He alone can fully appreciate the internal evidence which they afford of antiquity and accordance with the earlier remains and monuments of our species. He alone can measure their accordance with physical facts open to observation in relation to the past, present, and future of humanity.
