

Forgotten Heroes of World War II: Personal Accounts of Ordinary Soldiers-Land, Sea, and Air (Paperback)

By Thomas E. Simmons

Taylor Trade Publishing, United States, 2014. Paperback. Condition: New. Second Edition. Language: English . Brand New Book. World War II was the defining event of the twentieth century. For everyone it was a time of confusion, fear, destruction, and death on a scale never before seen. Much has been written of the generals, campaigns, and battles of the war, but it was young, ordinary American kids who held our freedom in their hands as they fought for liberty across the globe. Forgotten Heroes of World War II offers a personal understanding of what was demanded of these young heroes through the stories of rank-and-file individuals who served in the navy, marines, army, air corps, and merchant marine in all theaters of the war.

Reviews

This pdf is really gripping and intriguing. it was actually writtern very completely and beneficial. You wont really feel monotony at whenever you want of your time (that's what catalogues are for about in the event you request me).

-- Ms. Gracie Nicolas

A very awesome ebook with perfect and lucid information. It is really simplified but unexpected situations in the 50 % of your pdf. I am pleased to let you know that here is the greatest book i have study inside my very own lifestyle and can be he greatest ebook for at any time.
