Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Dario Murazik IV)

MASTERS AND SERVANTS (PAPERBACK)

[DOWNLOAD](#)

Yale University Press, United States, 2013. Paperback. Condition: New. Translation. Language: English . Brand New Book. One of Pierre Michon's most powerful works, this book imagines decisive moments in the lives of five artists of different times and places: Vincent van Gogh, Francisco Goya, Antoine Watteau, Claude Lorrain, and Lorentino, a little-remembered disciple of Piero della Francesca. Michon focuses on particular moments when artist and model collide, whether that model is a person or a landscape, inner or outer. In the five separate tales he evokes the full passion of the artist's struggle to capture the world in images even as the world resists capture. Each story is a small masterpiece that transcends national boundaries and earns its place among the essential works of world literature.
