This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Halloween is more than haunted in this superscary superspecial addition to Spotlight s popular tween horror series. When Ashley McDowell s parents first told her they were moving from the big city to a one-stoplight farm town, she was convinced that she was going to hate living in Heaton Corners. But to Ashley s surprise, she loves it. Everyone is super welcoming, especially her new friends. Plus, it s October and there s the town s Harvest Festival, and, of course, Halloween. But when Ashley starts making plans for Halloween night, she is shocked to find out that her new friends are forbidden to go trick-or-treating. Ashley convinces them to sleep over at her house and go trick-or-treating anyway, but she soon discovers that Halloween in Heaton Corners isn t like Halloween anywhere else. For one thing, everything seems so much more real.too real. Ashley can t help but think that maybe Heaton Corners doesn t need tricks and disguises to be terrifying on Halloween night. This exceedingly scary superspecial features a glow-in-the-dark cover and bursts through Level 5 on the Creep-o-Meter.
