

## The I of Leadership: Strategies for Seeing, Being and Doing

Filesize: 7.11 MB

### **Reviews**

*Comprehensive manual for ebook fans. I am quite late in start reading this one, but better then never. Its been written in an exceptionally basic way and is particularly merely soon after i finished reading this publication in which really changed me, affect the way in my opinion.  
(Prof. Antone Olson II)*

John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, The I of Leadership: Strategies for Seeing, Being and Doing, Nigel Nicholson, This is the leadership book you have to read: a barn-storming new take on what makes aversatile, integrated and effective leader. Using stories and examples from the lives of leaders, (from the sports stadium to the White House to the office of the CEO), Nicholson shows vividly how the capacity of leaders to see what others do not see frames their actions and allows them to transform, build, destroy, or stabilize. Leaders fail through lack of insight -- into themselves and into the worlds they inhabit. The strategic challenge of leadership is to find the right balance between impact and versatility and the successful crafting of an identity that merges the leader and the surrounding culture or 'zeitgeist' . Leaders covered in the book include: George Bush, Tony Blair, George S Patton, Warren Buffet, Steve Jobs, Josef Stalin, Hannibal, Elizabeth I, Nelson Mandela, Edith Cowan, Abraham Lincoln, Mohandas Gandhi, Henry Ford, Ernest Shackleton, Barack Obama, Robert Maxwell, JFK, Pope John XXIII, Margaret Thatcher and Samuel Pepys. This book resonates with insights and searching questions on the nature of human leadership. It will be an invaluable guide to managers, consultants and people everywhere.
