Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Any map or list can tell you the popular places to go to in New York City. You can spend hours in the Museums (which I do recommend if you have time), and not know anything else but that. However, New York City isn t just Midtown Manhattan. It s the running path along the East River or the hidden speakeasy in the Upper East Side. It s the place where those who want to make it come and give it their all. It s a city filled with opportunity, hidden gems, and activities to ensure you don t sleep while you re there. The historical sites are truly breathtaking and unforgettable. The true New York charm is a bit gritty, a bit unkempt, but full of heart. This guidebook celebrates both the traditional historic charm of the concrete jungle known, as New York City, as well as the hidden gems not the average tourist will find. New York City is what you make it. With that, what will you choose in your time visiting? Will you head to Brooklyn, home of the hipster, sipping fresh cold dripped coffee and talking about the latest off-Broadway play, underground band, or vintage boutique? Or, will you head to the Bronx, grab a beer with a buddy, watch the famous New York Yankees play, and eat some authentic Italian. What about strolling along one of the biggest shopping streets in the world, 5th Avenue, stopping at a gourmet deli, and dancing the night away in SoHo? What will your New York be? WHAT YOU LL FIND INSIDE: ----- \* Manhattan and Its Surroundings \* Things You Should Do and See in New York \* Tips...
