Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If rhyming fun with morals and pun is a journey that you seek, then travel these pages and encounter sages formed by an Ancient Greek. Eight tales for the wise appear in disguise as rhymes with choice-filled plots. Each story favors showing to do behaviors as well as behavior do nots. Some classics are there, like The Tortoise and Hare, but there are also less known friends. Lions and crows, plus monkeys and wolves, guide the viewers to proper ends. The verse patterns vary, but they are not scary, and use some a, b, a, b. With each conclusion there s a humor infusion-- you won t say It s all Greek to me. So let eyes sop these morals up as part of one s nightly way. This is one addition to bedtime tradition that will inspire talk the next day!.
