Brand New Book ***** Print on Demand *****.We humans often feel the need to make things happen - to have things turn out the way we think they should. If we re facing serious challenges, or if something we re working on hasn t happened, our minds tend to jump into action, trying to figure out what to do next. But the more we struggle to have things go our way, fear, discouragement or frustration can set in, only adding to our struggles. In You Don t Need to Conduct the Orchestra, Jack Armstrong shares previously unpublished spiritual teachings that gently remind us that we can let go of the struggle and then trust and allow our highest good to flow into our lives.
