Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Hi! My name is Brittain Joy Cephas. I've been writing and ghostwriting books for a few years now. I love to challenge myself writing in new genres. Having been a TV producer for over 15 years you would think I watch a lot of television but that isn't the case. I love classic movies so my favorite channel is TCM. I love holiday movies so Hallmark is a favorite also. Regular network television hasn't really held my interest for a long time. However there are those rare programs that have become habitual; 24 being one of them. I am also a big Agents of Shield fan and of course the entire James Bond series. Anything from Marvel is a must. So imagine my surprise when I immediately became a Quantico Fan. There isn't anything I don't like about the program and wish the season hadn't ended already. That's when I decided to create this fun trivia book on the cast of Quantico. I hope you enjoy this book and have fun sharing it with your friends who also love the program!.
