Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Board book. Book Condition: New. Not Signed; Have fun learning the alphabet with Betty the Bunny This is a colourful, illustrated first alphabet book in a small board book format perfect for little hands. This title helps children to learn their A to Z with a charming story and bright and appealing drawings. This is a book to read together or for more confident first readers to enjoy by themselves. Betty the Bunny has found a wonderful new game to play! Have fun learning the alphabet with Betty as she goes about her day finding pictures that start with all the letters, from A for apple to Z for zip. Simple language and repeated vocabulary, teamed with bright and appealing pictures, make this an ideal first reading and letter book for younger children. book.
