

## American Tolerance of Government Intervention and Socialist Agendas During an Economic Recession

By Louis DiNatale

GRIN Verlag. Paperback. Condition: New. 52 pages. Dimensions: 8.3in. x 5.8in. x 0.1in. Scholarly Research Paper from the year 2009 in the subject Business economics - Economic Policy, grade: A, Northcentral University (School of Business), course: Special Topics in Business and Technology Management, language: English, abstract: This scholarly research paper analyzes whether Americans predisposed opposition to socialism is genuine in light of the extensive welfare programs already administered by the United States government and plans for increasingly more government intervention. The research considers the history of Americas welfare reform, American perceptions regarding the utility of welfare, and if extensive government intervention, as in the national health care plan, and radical socialistic reform are in line with American ideals and acceptable when national hegemony and economic primacy lies in jeopardy. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
