### SPACE AND GEOMETRY (PAPERBACK)

Dover Publications Inc., United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. These three essays by an eminent philosopher and scientist were written originally for The Monist and appeared in that magazine between 1901 and 1903. They explore the nature, origin, and development of our concepts of space from the points of view of the senses, history, and physics. Most books on the foundations of geometry emphasize only a single perspective -- that of logic, epistemology, psychology,...
