Robert Hale Ltd. Hardback. Book Condition: new. BRAND NEW, Wearing Combovers and 49 Other Things That the Modern Man Shouldn't Do, Carl Walker, Modern men have a tendency to do a lot of unusual things. Some wear comedy socks and ties. Others labour under the curious misapprehension that cycling without using ones hands constitutes a social achievement. You may see a man in the street throwing a sweet up in the air with the sole purpose of trying to catch it in his mouth. You may have met a man who has managed to convince himself that his combover could be mistaken for a lustrous body of hair. In a moment of historical literary significance matched only by the Doomsday book and the first edition of the King James Bible, this book finally brings together an account of the strange and frankly unacceptable habits of modern men with the clear and obvious reasons why these habits must, for the sake of the future of the human race, be cast aside.
