Imagination in Theory: Essays on Culture and Writing (Paperback)

By Michele Barrett

Polity Press, United Kingdom, 1998. Paperback. Condition: New. Language: N/A. Brand New Book. This new book draws together the work of a leading social theorist who has devoted herself to examining the intersection of cultural studies, social theory, feminism, and literary theory. Imagination in Theory contains both new and published work focusing on Barrett's long-standing interest in cultural questions, and shows how this informs her analysis of current developments in social and feminist theory. The essays challenge disciplinary boundaries, and Barrett uses her background as a specialist in literature to translate across the barriers between the humanities and social sciences, raising a number of important - and sometimes controversial - issues. Taking culture, theory and writing as its themes, the book explores these through work on aesthetics, cultural politics, subjectivity, developments in feminist thought, psychoanalysis, and some new ideas on cultural studies and social theory. The book ends with a strikingly original comparison of the ideas of Virginia Woolf and Michel Foucault which is used to pose questions about the differences and similarities between fiction and theory. This exciting book will be widely read by students and academics in cultural theory, social theory, feminism and literary theory.

Reviews

A top quality ebook and the typeface used was interesting to learn. This can be for all who state that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be the finest book for at any time.

-- Mr. Carol Bergnaum IV

This publication will not be straightforward to begin on studying but quite fun to see. It really is basic but shocks in the fifty percent of the ebook. I realized this ebook from my dad and i advised this pdf to learn.

-- Bernadine Powlowski
