

Space-Time Reconsidered: A Reconsideration of Space, Time, Perception, Reality, and More. (Paperback)

By John H Silver

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ask someone What time is it? and the response will be without hesitation. However, ask What is time? and you will get a very different response. The answer to this question and others are presented in three parts: 1: Space and Time, 2: Perception and Reality, and 3: Consciousness and Deity. As these titles possibly indicate, as this work progresses, it becomes increasingly conceptual and speculative. The six words in these titles all have common everyday conversational meanings. On the other hand, all six have less familiar, deeper meanings. These deeper meanings examine questions such as What is time? and What is reality? are presented for the non-specialist in an informal and understandable manner. For example, in part 1, space and common time are considered, and then reconsidered to show that our notions about space and time are possibly wrong and that new ways of thinking about time are possible and even desirable. In a similar manner, the author takes on the topics of perception, reality, consciousness, and deity that are considered and then reconsidered in a manner that offers new...
