## GO VISTA: CITY GUIDE COLOGNE

Condition: New. Publisher/Verlag: Vista Point Verlag | English Edition - Guidebook with extra map and three postcards | About the travel destination CologneThe city was founded by the Romans, was a major ecclesiastical center in the Middle Ages, and is now a major center for German media; a young, vibrant, and diverse European city of the future. Around one-third of all German TV shows are created here, solidifying Cologne's reputation as a city for fun and entertainment. Not just the breweries and the restaurants, but also the light rail and party discounters make a living from the city's fun-loving, party image, partly driven by its role as a major center for Carnival. Cologne's pride parade is also the largest queer event in Europe. With more than two thousand years of history, the city also has a lot of culture to offer: a Roman tower and praetorium, a medieval city wall, and twelve Romanesque churches, the world-renowned Gothic cathedral, and Renaissance-era city hall, a cemetery built during the French era, Prussian forts, modern architecture from the 1950s, significant collections of ancient and contemporary art, a lively design scene, and the Academy of Media Arts. "Cologne is a feeling", is the much-quoted slogan with which the city promotes itself, but it is not necessarily clear in its meaning. It's in the cronyism that the two faces of the city...
