Larry Czerwonka Company, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.At the age of 27, I was conventionally successful. Lots of money and a high media profile from successful business start-ups in Japan. A lovely wife, and four children. But I was working and traveling 25 days per month. Living the high life-at 27! Yet I began wondering . . . is this all there is? What is True Success? What is True Happiness? I began asking successful people I was meeting around the world, what they thought determined True Happiness . . . I wrote their answers down. I analyzed them. I worked to find common denominators. Because nobody actually had a complete concept of True Happiness. Or maybe, more importantly, how to achieve True Happiness. Or how to even talk about it. The concept of LQ was born. LQ = Life Quality. I tested and refined the LQ concepts with my students at the University of Hawai'i Hilo. (How to LQ your income. How to LQ your relationships. How to LQ your health.) I began working with small business owners on Hawai'i Island to help them LQ their businesses. (Because a business should be enhancing your LQ, not detracting from it.) After 3 decades of research, I have come up with a remarkably SIMPLE yet COMPLETE guide with 5 LQ Principles that will help you build your House of Happiness.
