

Semiologie Clinique: de La Clinique Au Diagnostic (Paperback)

Filesize: 9.53 MB

Reviews

This sort of book is every little thing and got me to searching ahead and a lot more. This can be for all those who statte there was not a well worth reading through. I am just easily could possibly get a delight of reading through a published pdf.
(Floy Rolfson)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. La redaction de cette serie de manuels de medecine clinique prolonge une demarche realisee au benefice des etudiants en medecine de l universite de l auteur, praticien intra-hospitalier, visant a les faire beneficier d un travail personnel consistant en une synthese de lectures personnelles de la litterature medicale et de reflexions issues de sa pratique. Il n est pas question dans ce volume de fournir une somme d affirmations indiscutables couvrant l ensemble de la semiologie mais bien une serie de fiches concises offrant des exemples de prise en charge des symptomes, signes ou syndromes les plus frequemment rencontres en pratique clinique. A chacun ensuite de les confronter a ses propres connaissances, pratiques et recherches pour se batir son mode de raisonnement clinique. Il s agit donc d un outil visant a contribuer a l education des etudiants en medecine, des jeunes praticiens et, de facon plus marginale, du public.
