Secret Hiding Places: 135 Extra Secret Places Where You Can Hide Your Valuables Book#1: Sneaky Secret Hides: DIY Household Hacks on How to Hide What You Don t Want Found! This book offers you great tips and suggestions on where you should and how you should consider hiding items inside and outside of your household in places that outsiders would not think to look for these items. In this world we live in today there is high levels of crimes that involve house break-ins where people get robbed of many items that are precious and special to them that they will never be able to replace. In this day and age you need to be prepared for certain things that could occur one being the unfortunate experience of having your home burglarized. Not only will you be given tips and suggestions on how to protect your precious items but even shown ways to hide a spare key to your home outside of your house where intruders won t think to look. You can great some great advice in ways to make your home environment more secure within this book without spending a large amount of money. Installing a home security system is not an option everyone can afford. But the suggestions in this book will certainly help to make your home more safe and secure with little to no expense. Book#2: Sneaky Hiding Places: 50 Ways To Keep Safe Your Valuables We live in a world of competition. You have to hang on to what you have, or you...
