## The Last Martin

By Jonathan Friesen

ZONDERVAN, United States, 2012. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. Martin, the Boyle family name, has been given to the firstborn male in each Boyle household for centuries. While his father offers a speech honoring Martins who have gone before, Martin wanders among his ancestors. The writing on the old headstones is hardly legible, and he scratches at birth and death dates with a stick. His analytical mind gravitates toward the numbers, and his stomach sinks. The pattern is clear: Martin 1770-1819. Martin 1819-1835. Martin 1835-1899. Martin 1899-1956. Martin 1956-1996. There's always a Martin....
