

How to Believe (Hardback)

By John Cottingham

Bloomsbury Publishing PLC, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. In Why Believe? (Continuum) Professor John Cottingham argued that every human being possesses impulses and aspirations for which religious belief offers a home. His new book, How to Believe is concerned not so much with why we should believe as with what leads a person to become a believer. Cottingham challenges believers and non-believers alike to think afresh about the need to change their lives and about what such change might involve.
