

Bunch Grass: A Chronicle of Life on a Cattle Ranch (Classic Reprint) (Paperback)

Filesize: 5.91 MB

Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).
(Lorenz Vandervort)

BUNCH GRASS: A CHRONICLE OF LIFE ON A CATTLE RANCH (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Bunch Grass: A Chronicle of Life on a Cattle Ranch The author of Bunch Grass ventures to hope that this book will not be altogether regarded as mere ?otsam and jetsam of English and American magazines. The stories, it will be found, have a certain continuity, and may challenge interest as apart from incident because an attempt has been made to reproduce atmosphere, the atmosphere of a country that has changed almost beyond recognition in three decades. The author went to a wild California cow-country just thirty years ago, and remained there seventeen years, during which period the land from such pastoral uses as cattle and sheep raising became subdivided into innumerable small holdings. He beheld a new country in the making, and the passing of the pioneer who settled vital differences with a pistol. During those years some noted outlaws ranged at large in the county here spoken of as San Lorenzo. The Dalton gang of train robbers lived and died (some with their boots on) not far from the village entitled Paradise. Stage coaches were robbed frequently. Every large rancher suffered much at the hands of cattle and horse thieves. The writer has talked to Frank Stilwell, the most famous of Western desperados; he has enjoyed the acquaintance of Judge Lynch, who hanged two men from a bridge within half-a mile of the ranch-house he remembers the Chinese Riots he has witnessed many a fight between the hungry squatter and the old settler with no title to the leagues over which his herds roamed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a...
