## I CHOOSE PEACE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. I choose peace is a cross between The Dice Man and Adrian Moles. A 30 day account of living on the turn of a card. The point of the cards are to help the reader identify our energy and psychological blocks, personal goals, and so improve our lives, work and relationships by bringing what is holding us back to the forefront and giving us ways to work through them. The book covers relationships with self (including p.m.s), teenage children, friends, possible lovers and people in general. Reading through this process will show you how to let go and trust yourself, your intuition and the scheme of the universe. As Shakespeare says nothing is good or bad, only the thought makes it so . Incorporated along the way are many theories from various spiritual gurus, angel cards, crystals, meditation Sometimes funny, sometimes sad, but a deeply poignant reflection of what could be a life of everyday struggle turned into a joyful life definitely worth living.
