Reviews

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

YOUR SLIDES SUCK!: WOW YOUR AUDIENCE WITH ENGAGING, EMPOWERING AND EFFECTIVE POWERPOINT PRESENTATIONS (PAPERBACK)

Mpowr Ltd, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Wow, that was brilliant! Can you remember anyone ever saying that about a PowerPoint filled with slide after slide of bullet points? This book is for those who know how deadly PowerPoint can be. yet want to use it brilliantly to wow an audience. Now it is time to prepare your own presentations and make them better--much better. You need simple, clear, powerful and effective advice from an expert in visual communication and business presentations. You need practical, step-by-step strategies that will bury bullet points for good and allow your information to make a lasting impact. David Henson walks you through every part of the presentation process, from first ideas to getting ready to walk out on stage. This PowerPoint handbook for presenters is filled with in-depth, full-colour illustrations and explanations. The linked tutorial videos make it easy to apply the tips to your own slides. Use this book to revolutionise your slides, your presentations and your results. And wow your audience at the same time. Dave Henson is on a mission to rid the world of boring slides. That s why this is the only book on presentation slides you ll need. He not only tells you what to avoid, he shows you how to get it right. And why. He clearly understands how visual aids support the process of persuasion. And his slides are innovative, powerful and never boring. Phillip Khan-Panni FPSA CEO, Speaking Presentation Skills Dave has been my go-to person for presentation design and support for over twenty years and it is great to see him share his experience in Your Slides Suck . This book preaches what he practises and if you put these nuggets into practice too, it...
