

The New Calvinists: Changing the Gospel (Paperback)

By Dr. E.S. Williams

The Wakeman Trust, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Enmity between the church and the world dates from the Fall of man, so God says in Genesis 3.15. Satan s major strategy is the overthrow of the church by the world, through infiltration and contamination. But seldom has this battle reached the proportions of this present hour, when worldliness threatens every believer and church. And so subtle is the enemy that fatal compromise now comes with an appearance of sound doctrine - in an apparent resurgence of the very best of Reformation and Puritan teaching. This book reveals the new gospel of the so-called new Calvinism . It is a gospel that changes the terms of salvation, and that loves the world and embraces its culture. Here are the objectives of the new Calvinists, taken from their own words. - Dr Peter Masters, Metropolitan Tabernacle [Dr E S Williams was Director of Public Health for Croydon Health Authority for many years. He is the author of The Dark Side of Christian Counselling, Christ or Therapy? and numerous research papers in medical journals.].
