## 1967: THE YEAR OF FIRE AND ICE (HARDBACK)

Skyhorse Publishing, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Blazing hot meets icy cool in a momentous year in US history On New Year s Day in 1967, the 200 million Americans who lived in the United States were about to experience a fascinating, exciting, and sometimes bewildering twelve months that for many formed an iconic portion of their lives. Despite the fact that the coming year produced no Black Friday, Pearl Harbor, or 9/11 attack, the nation still underwent dramatic changes in everything from support for the Vietnam War to approval of candidates for the 1968 presidential election to attitudes toward sex with strangers and what constitutes the status quo. Victor Brooks explores what happened and in some cases, did not happen to these two hundred million Americans in a national roller coaster ride that was the year 1967. He chronicles a society that proportionally had far more young people than was the case five decades later, with a widely publicized generation gap that produced more arguments, tension, and anguish between young and old Americans than any 21st century counterpart. 1967 is a fascinating, wide-ranging exploration including topics ranging from the first Super Bowl, the beginning of the 1968 presidential campaign, the social...
