

## The Complete Guide to Point and Figure Charting: The New Science of an Old Art (Paperback)

By Kermit Zieg, Heinrich Martin Weber

Harriman House Publishing, United Kingdom, 2003. Paperback. Condition: New. Language: English . Brand New Book. The aim of this book is to explain point-and-figure charting to European investors and traders, and to show why it is the most reliable technical tool for timing entry and exit points in stocks, indices and other securities. The book is written for all levels of trader, from the novice to the experienced. It starts by explaining the basics of point-and-figure, and by showing its advantages over other types of chart. Readers are then given step-by-step instructions on how to start a point-and-figure chart from simple price data, and how to add to it day-by-day using simple rules based on end of day highs and lows. The emphasis is on simplicity and clarity. The section on chart interpretation introduces the basic buy and sell signals, and goes on to explain the more complex signals, in each case illustrating the pattern, and the precise entry and exit points, with colour charts from FTSE stocks and indices. It also shows how trend lines are incorporated into a chart. The latest point-and-figure trading techniques are covered in depth. The authors show how to: use horizontal and vertical counts to...
