Little, Brown Company, United States, 2003. Hardback. Condition: New. Language: English . Brand New Book. How does a person judge what is ethical? Sometimes it s clear. In the past couple of years, ethical lapses in corporate America have been well-documented. However, it s not always easy to see where the line is in life. What s the standard? Can it work in all situations? John C. Maxwell thinks it can. In this book he reveals how people can live with integrity by using the Golden Rule as their standard - regardless of religion, culture or circumstances. Along the way he delves into the desires of the human heart, reveals the five most common pitfalls that throw people off the ethical track and teaches how to develop the Midas touch when it comes to personal integrity.
