Hired-Network to land the job you want was written to help any proactive job seeker no matter what generation category they are lumped into. Today the average job seeker is frustrated with the lack of results they are getting through the traditional job hunting process of applying and waiting for opportunities to come to them. The common unintended consequences of waiting for opportunities are eroding self confidence, career doubt, depression and financial paralysis. Millions of people are facing these same issues every day; especially when you consider that the average time it takes an unemployed person to find a job is 9 months. This book details proven techniques, tips and actual ways for job seeker to proactively identify the job they want and land it in a shorter period of time. These techniques are proven and have been honed through last three recessions. In this book there are no quick-rich schemes. This book examines strategic ways to define and understand what your work accomplishments are to create and understand your market value. Some of the things you will learn from this book....

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
