*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Kregel Publications,U.S. Paperback / softback. Book Condition: new. BRAND NEW, Defending the Faith: Apologetics in Women's Ministry, Mary Jo Sharp, Women want answers! A busy twenty-first century woman who has not taken the time to think through exactly what she believes about God, even why she believes in God, tends to live as a practical atheist. Today's Christian woman needs the transformation that having a reasoned belief in the reality of God's existence can bring, the intellectual confidence that will empower her to speak boldly on faith issues, with love and self-control. It's not that women need different or special apologetics arguments; they simply need to be encouraged and instructed in the importance of apologetics in their daily lives. Women who are exposed to apologetics find themselves energized and excited about sharing their faith with family, friends, and coworkers. Popular apologist Mary Jo Sharp issues a personal challenge for sisters in Christ to approach their faith on an intellectual level, along with a compelling call for women's ministries to help women love God with their minds by incorporating apologetics into their programs.
