Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Color the patterns! This busy book makes relaxation easy! Some patterns are intricate and some patterns are easy. If you like to stay in the lines some patterns have wide lines so you can color wildly whilst some patterns have thinner lines so you can really concentrate and take your time. I made this book to keep you busy but it's also a great abstract art project as well. Some of the designs resemble Mandalas while others flowers. Some are more architectural looking and some are organic inspired. It's a little of something for everyone! Color the patterns!.
