

Tenryuji: Life and Spirit of a Kyoto Garden (Hardback)

By Norris Brock Johnson

Stone Bridge Press, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. This illustrated study of Tenryuji, ranked number one among the five great Zen temples of Kyoto and a major destination for tourism and worship, weaves together history, design, culture, and personal reflection to reveal the inner workings of a great spiritual institution. Looking at Tenryuji's present as a mirror to its past, and detailing the famous pond and rockwork composition by renowned designer Muso Soseki, Norris Brock Johnson presents the first full-length `biography` of a Zen temple garden. Norris Brock Johnson is a professor of anthropology at the University of North Carolina in Chapel Hill and has been teaching and writing about Japanese temple gardens for over twenty years.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).

-- Dr. Everett Dicki DDS
