University of Wales Press, United Kingdom, 2014. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This critical study covers the whole range of Dylan Thomas s writing, both poetry and prose, in an accessible appraisal of the work and achievement of a major and dynamic poet. It interrelates the man and his national-cultural background by defining in detail the Welshness of his poetic temperament and critical attitudes, as both man and poet. At the same time, it illustrates Thomas s wide knowledge of and impact on the long and varied tradition of poetry in English. In that connection, it delineates and delimits Thomas s relationship to surrealism, compares and contrasts his work with that of other poets of the 1930s and 1940s, and shows how its power survives his early death in 1953, in the decade of the Movement poets and beyond. A major aspect of this book is the close textual analysis of the works quoted; it explores anew the recognition due to the man who wrote the work, and helps us to separate the intrinsic achievement of the work from the foisted perceptions of the legend .
