Filesize: 1.2 MB

Reviews

This publication is wonderful. It can be rally fascinating throug reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

THE BODY: VOLUME 2 OF THE HUMAN GARAGE TRILOGY (PAPERBACK)**DOWNLOAD**

Nicky Snazell Clinic Ltd, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My Human Garage, volume2, the Body, discusses all the hard work researchers put into creating the latest technology which combines and enhances the healing achievable through scared and ancient hands on techniques. My book embraces a utopia of pioneering physiotherapy and technology. Within the covers is the analogy of a garage and how medics and therapist can lean more towards mechanics or healers. There are 6 chapters, the first discussing my own learnings with my physical body getting damaged. Chapter 2 embraces the nuts and bolts of the body. Chapter 3 and 4 stories of patients and descriptions of treatment modality. The 5th is all about healthy eating and the 6th antiaging, healthy exercising. The large appendix covers a deeper explanation of technology and a symptom sorter of musculoskeletal ailments. The bibliography details all the science I studied to write this book. My driving purpose for this book is to share 30 years of study and clinical practice with fully integrated alternative and western medical /physiotherapy treatments. I have experience of over 10,000 patient cases, and the knowledge of running my own healthcare clinics what works and doesn't work. At a time when there is still a strong political drive to move away from hands on treatment, and still embrace pain meds my type of clinic may soon be extinct. My dream for this series of books is for all this wisdom to be there for everyone, and if possible in the NHS. I wish is for everyone to be empowered with the knowledge of how to avoid unnecessary suffering and illness. After all healthy, fit bodies need fewer pit stops and therefore receive a smaller bill at their health checks/MOT s. Your greatest wealth...
