

Statue in the Square

By Joanne St. Clair

Createspace, United States, 2010. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.This book shows you how to listen to your heart to create the life that you love, told through the eyes of Jane Frasier, a young professional who has it all. However, life isn't everything it's cracked up to be and Jane is questioning its deeper meaning. Taking another day off work, she sits in her favourite spot by a bronze statue, observing people as they pass by whilst trying to make sense of the despondency and frustration that she is feeling. When it starts to rain she heads for the nearest cafe where, to her surprise, a stranger is waiting for her. The stranger unveils a powerful philosophy for living, one which invites Jane to live life at its most authentic and adventurous level. Over the course of one week the stranger teaches her seven lessons which, if applied, will completely change her life.

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which it actually altered me, change the way in my opinion.
