The exposure is too dangerous. Can the hedge be mended or has the end finally come for America? Are we so close to the destruction spoken by the mouth of prophets in times past? Are we on a ride that is about to have a head-on collision with calamity and disaster? The darkness in this nation is getting thicker by the split second. Gross darkness is falling upon the land and it seem as though there is no one with a flicker of light to lead the people out of the darkness; when we as the church should shine as light in the darkness. What is the role of the church in the society? Is there something we can do to extricate the situation? Can we avert the disaster ahead? There is a solemn call of the Spirit for intercessors to rise up for America. God is calling the church to rise up and take her proper position in the society. God is calling you and me to intercede for America. Will you answer the call? Are you dependable? Can God count on you for the saving of America? Before these visions start coming to me, He spoke to and said see I have this day appointed you to the oversight of nations and the kingdoms. From then on, He begins to flood my heart with visions and revelations about the things that concerns this nation and what the...
