Celebrating Canadian Creativity: Canada 150 Edition (Paperback)

By D Paul Schafer

Rock s Mills Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Celebrate Canada s sesquicentennial by celebrating Canadian creativity! In this exciting new book, noted author and cultural scholar D. Paul Schafer tackles the subject of Canadian creativity in every field of human endeavour, from the arts and entertainment through transportation, communications and industry to science, technology, sports, and conservation of the natural environment. As Schafer notes, creativity has been the foundation both of Canada s high standard of living and its much admired quality of life. In the years ahead, Canadian creativity can serve as a model and inspiration for other nations, and as the principal means of ensuring Canada s future shines as brightly as its past. Accomplishments profiled in Celebrating Canadian Creativity include: - The remarkable achievements of Canada s Indigenous peoples in transportation (the canoe), shelter (the igloo, teepee, and longhouse), foodstuffs (maple syrup and pemmican) and many other fields - How Canada helped feed the world through the development of Marquis wheat - Little-known Canadian pioneers in the development of the electric light bulb, radio, and the electronic music synthesizer - Alexander Graham Bell s...
