Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sir Robert Aylward, Bart., M.P., sat in his office in the City of London. It was a very magnificent office, quite one of the finest that could be found within half a mile of the Mansion House. Its exterior was built of Aberdeen granite, a material calculated to impress the prospective investor with a comfortable sense of security. Other stucco, or even brick-built, offices might crumble and fall in an actual or a financial sense, but this rock-like edifice of granite, surmounted by a life-sized statue of Justice with her scales, admired from either corner by pleasing effigies of Commerce and of Industry, would surely endure any shock. Earthquake could scarcely shake its strong foundations; panic and disaster would as soon affect the Bank of England. That at least was the impression which it had been designed to convey, and not without success.
