HOW ANTHEM KILLS CHILDREN WITH AUTISM (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Anthem insurance continues to cut and deny applied behavior analysis services in the state of Indiana. As the leading insurer in the state of Indiana Anthem should be held accountable to provide adequate treatment for autism for its clients. Anthem works together with Family and Social Services as well as the Autism Society of Indiana to deny or cut ABA services for children with autism. This book exposes the conspiracy theory behind Family and Social Services, Anthem, and the Autism Society of Indiana. In this book you will learn that Anthem's medical reviewers that are signing off on and approving or denying behavior plans are not even ABA therapist themselves. We have psychiatrists who do not have a clue as to what autism is signing off on behavior plans when they have no experience at all in dealing with autistic behaviors. This is crazy and Travis hopes to draw attention to the level of bullying that Anthem is doing. Travis feels Anthem is more concerned with making a profit for its shareholders than it is in treating people with autism like himself. Travis shares how many parents feel trapped because they are not able to speak up or really advocate for their children out of fear that Anthem will cut their children's services even more. Anthem is engaging in very dangerous behavior that has the potential to hurt or kill thousands of children with autism and they must be stopped. This book exposes the wrong doings of Anthem insurance and explains how they have formed connections with Family and Social Services in the state of Indiana along with forming a collation with the Autism Society...
