This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

An inspiring program full of essential advice for spotlight lovers and wallflowers alike that will teach listeners how to bring any crowd to its feet Every day there are moments when you must persuade, inform, and motivate others effectively. Each of those moments requires you, in some way, to play a role, to heighten the impact of your words, and to manage your emotions and nerves. Every interaction is a performance, whether you re speaking up in a meeting, pitching a client, or walking into a job interview. In Steal the Show, New York Times bestselling author Michael Port draws on his experience as an actor and as a highly successful corporate speaker and trainer to teach listeners how to make the most of every presentation and interaction. He demonstrates how the methods of successful actors can help you connect with, inspire, and persuade any audience. His key strategies for commanding an audience s attention include developing a clear focus for every performance, making sure you engage with your listeners, and finding the best role for yourself in order to convey your message with maximum impact. Michael Port is one of the most in-demand corporate speakers working today. His presentations are always powerful, engaging, and inspirational. And yes, audiences always give him a standing ovation.
