Soupy, the cat, is not allowed to go outside. One day, though, the front door is accidentally left open and Soupy cannot resist seeing what it s like outside. No sooner does he decide that outside is wonderful, when he is chased by a monstrous cat-eating beast. Soupy runs so far trying to escape the monster that he gets lost and must live in a hollow log in the forest. He must form a plan to find his way back home to little Molly, his beloved human-kitten. The next day, though, Soupy finds a tiny, helpless, orphaned baby raccoon in the forest, too. Soupy is now torn; raise the baby or find his way home? He can t do both at the same time. He knows his Molly would never abandon a helpless baby, so neither will he.
