If you are passionate about becoming a more effective leader, do yourself a favor and read Power and Persuasion. Steve Leveen, CEO and Co-founder, Levensinger Michael Masterson's new book emphasizes vision and effective communication, and, although unconventional at times, his ideas about leadership are unassailable and will be more widely employed. I have made it required reading for everyone at Frank McKinney Company. Frank McKinney, bestselling author of Frank McKinney's Maverick Approach to Real Estate Success and Make It BIG! I ghostwrote a book on leadership for which I personally interviewed 100 CEOs, many from big-name Fortune 500 companies and leading national brands. But I learned more about leadership by reading Michael Masterson's new book Power and Persuasion than I did from all my interviews with those 100 CEOs combined.
