Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you want to make floor plans or other drawings in fast and easy way using Autodesk AutoCAD but you don t have any practical experience of using AutoCAD? Then this book is for you. You will start from scratch and the book will guide you in step by step exercises to learn the commands and procedures. I have tried to include all the information needed to complete different exercises in the book. I hope you will not be stuck at any point and waste your time in searching Help, Internet or other books to work on the topics.The book doesn t teach you lessons to remember or doesn t ask you questions to answer. From Day 1, you start with a simple exercise with some basic commands and each day you will work on more complex drawings. By the end of Day 7, you may feel that you have enough knowledge of AutoCAD to work on large 2D projects.Download Table of Contents and first 2 chapters from.
