Brand New Book ***** Print on Demand *****.His divine power has given us everything we need for life and godliness through our knowledge of Him who called us by His own glory and goodness. Through these He has given us His very great and precious promises, so that through them you may participate in the divine nature and escape the corruption in the world caused by evil desires. 2 Peter 1:2-4 As a physician, Gary Parkhurst finds it distressing that Christians depend so heavily on modern medicine. Many times in the Old Testament God is called Jehovah Rapha, the God Who Heals, and Jesus s life and sacrifice fulfills all promises under the old covenant. Why do Christians need to go to doctors such as Dr. Parkhurst when God has promised to heal all spiritual, mental, and physical sicknesses through his Son? After much study, Dr. Parkhurst came to the conclusion that anyone who is truly trusting in Christ should generally be free from all earthly diseases. Illness is merely an entrapment of the enemy, who lures us into believing that we need earthly remedies. If we trust Jesus to free us from sin, we should trust him to remove all physical maladies as well. Investigate the Scriptures and the words of scholarly Christians with Dr. Parkhurst to discover Divine Health for yourself.
