Bene Factum Publishing Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 144 x 144 mm. Language: English . Brand New Book. The American version of the Glitch! series, in which genuine autocorrect failures deconstruct and distort the world around us, giving a whole new interpretation of U.S. history and culture. From great men such as Grottesque Washing (George Washington) and Abrasive Luncheon (Abraham Lincoln), to the Civil War between the Considerates and the Unkind (Confederates and Union), to the first Man on the Moose (Man on the Moon), this fresh take on what makes the greatest country in the world what it is today will raise as many eyebrows as it will laughs. God bless the Untied States of Africa!.
