Baker Publishing Group, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Atheism is a world without God. Its true nature--whether disguised in Eastern mysticism or American cynicism--is despair. In this thought-provoking and witty book, Ravi Zacharias provides Christians a clear apologetic for their faith. Formerly published as A Shattered Visage, The Real Face of Atheism systematically examines atheistic positions on human nature, the meaning of life, morality, the First Cause, death, and more. With a new introduction and revisions throughout, The Real Face of Atheism is the perfect text for pastors, students, and thinking laypeople who want to improve their apologetic skill and reach out to non-believers.
