The Grey sisters had only each other when their mother died years ago. Their father provided for them physically on Water s Edge, the ranch that had been in their family for three generations, each of them however, longed for their father s love.Winona, the oldest, knew early on that she could never get it. An overweight dreamer and reader, she didn t exhibit the kinds of talents and strengths her father valued.Vivi Anne, the youngest, had those things. And it was Vivi Anne who only ever saw a glimmer of their father s approval.When Vivi Anne makes a fateful decision to follow her heart, rather than take the route of a dutiful daughter, events are set in motion that will test the love and loyalties of the Grey sisters.With breathtaking pace and penetrating insight, Kristin Hannah s True Colors is a novel about sisters, vengeance, rivalry, betrayal and ultimately, what it truly means to be a family.
